

## ***Regional Coordinator Monthly Report***

### **Mentoring or Partnerships Developed**

Describe activities that you have done to support the coordinators in your region such as workshops, presentations, guest speakers, etc...

### **Challenges, Sustainability Issues/Support Needs**

Explain any challenges you have encountered, potential solutions (if known) and support needs for programs in your regions. Please include specific needs for volunteers.

### **Activity Forecast**

Provide a brief description and dates of your outreach activities to include: speakers, field trips, tutorials, SAT prep, mentoring, science/engineering fairs and academic/career counseling.
